

The Essential Guide 2026

A MANUAL TO PRECEPT SINGAPORE'S
COURSES, WORKSHOPS & RESOURCES

(Version 1.0—12 December 2025)

Foreword

Praise the Lord and all glory to Him for His wondrous work in our ministry throughout 2025, and for faithfully carrying us through another year! It has been a marvellous year of first events, and we give thanks for the many who have fellowshipped with us.

As we step into 2026, we pray that more people will encounter our Lord through His Word. His truth has stirred and transformed many of us, and we appeal to you, dear brothers and sisters in Christ, to invite friends and family to seek Him together. In these uncertain and volatile times, we must press on faithfully—strengthening Bible literacy among God's people, and helping seekers discover truth for themselves through the inerrant Word. Let's be honest: scroll time and TikTok theology won't cut it.

The biggest update for 2026 is the restructure of our Young Adults classes. Each study type has been redefined, with themes and titles carefully chosen to speak into this season. We now offer Precept Upon Precept (PUP) at different rhythms and melodies, giving greater flexibility for daily time with God. Even more exciting, we are launching a brand-new Sunday evening class led by Dr Tjin Swee Chuan! We covet your prayers that the Lord will bless and prosper these YA initiatives.

If you are new to Precept, we pray this essential guide—and our website—will help you take that step of faith to commit to studying the Word of God. And if you're a seasoned Precept veteran, don't worry—we still love you, even if you already know Isaiah backwards. In other words, continue your journey with us!

Remember, we are always just an email or Live Chat away to answer any questions.

Please help share this Essential Guide with others, so they too may discover this valuable resource for studying God's Word. Let us journey together—precept upon precept, line upon line, here a little, there a little (Isaiah 28:10–13).

May our good Lord keep you and bless you,
Precept Singapore Team

- Precept Singapore -

For the word of God is living and active

piercing as far as the division of soul and spirit,
of both joints and marrow,
and able to judge the thoughts

Young Adults Communities

(aged 20s to 49)

The calls of life can easily pull us away from seeking God through His Word. Yet to know Him deeply requires time, commitment, and the encouragement of others—because as Scripture reminds us, *iron sharpens iron*.

That's why we gather—even if it's virtual. Together, we study, encourage, and strengthen one another as we learn to live out our faith. Come nurture your relationship with Him. His Word is a lamp to your feet and a light to your path, guiding you through every season of life."

If you wish to know God, you must know His Word.

If you wish to perceive His power,

you must see how He works by His Word.

If you wish to know His purpose before it comes to pass,

you can only discover it by His Word.

- Charles Spurgeon -

The law of the Lord is perfect,
restoring the soul;
The testimony of the Lord is sure,
making wise the simple.

The precepts of the Lord are right,
rejoicing the heart;
The commandment of the Lord is pure,
enlightening the eyes.

The fear of the Lord is clean,
enduring forever;
The judgments of the Lord are true;
they are righteous altogether.

They are more desirable than gold,
yes, than much fine gold;
Sweeter also than honey
and the drippings of the honeycomb.

Frequently Asked Question (FAQ)

① What is Precept Study...really?

Participants often say, "It's hard to explain—you have to experience its richness and depth yourself." Even we concede that no matter how carefully we try to map it online, words and imagery can never fully capture the **actual learning experience**.

At its core, Precept Study employs **inductive Bible study**—always rooted in Scripture itself—**across every level of study: In-depth, Devotional, and Topical**.

- **Observation** — let Scripture speak for itself
- **Interpretation** — understand what it means in context
- **Application** — live out Scripture's timeless truth

In other words: **Scripture leads you to God. Precept leads you through Scripture.**

② What makes Precept unique in Bible Study?

"Other Bible studies prescribe; Precept describes," one participant quipped.

We don't claim to be the best—every Bible study seeks to root believers in God's Word and help them live it out. What makes Precept different is our focus on equipping people with a lifelong skill: not just to read, but to **love the Word of God** through the inductive study method.

Precept is always Scripture-based—whether in devotional or topical studies—and we hold fast to Scripture alone, the living Word that convicts hearts.

③ Why do I have to study the Bible?

The real question is: "How much do you want to know God—the One who has already revealed what you need to know about Him through His Word?"

Knowledge in the veracity of His Word strengthens faith and enlarges your estimation of the persons of God.

Often, the journey begins with a sense of "have to" before it blossoms into a "want to." And here's the honest truth: it takes diligence on your part. The richness of God's Word isn't unlocked by shortcuts—it is uncovered through steady, intentional study, illuminated and empowered by the Holy Spirit.

...we have not ceased to pray for you and to ask that you may be filled with the knowledge of His will in all spiritual wisdom and understanding, so that you will walk in a manner worthy of the Lord, to please Him in all respects, bearing fruit in every good work and increasing in the knowledge of God.—Colossian 1:9-10

?

What is a Precept Community?

Once known simply as a “study group” or “discussion group,” it is now called a Precept Community—a regular gathering (virtual for YA classes) with no denominational barriers and not limited to “strictly believers.” **We welcome unbelievers and seekers too, so invite your friends!**

It’s a **time of fellowship rooted in Scripture**—our basis for discussions and sometimes even lively debates. It’s about sharing life, encouraging one another, and growing in faith side by side.

One participant put it this way: *“The community is important to spur one another on—we can’t do this alone.”* Another added, *“I wasn’t sure I wanted to continue with in-depth study after devotionals, but because I’ve come to love our community, I stayed.”*

The beauty of a Precept Community is its diversity—different walks of life, different denominations, all bringing rich perspectives that keep iron sharp. It’s not a replacement for the church, but an extension where we seek the knowledge of God’s truth together—running the race together!

?

What's the difference between 'YA' and the regular classes?

We all use the same materials, but YA groups are age-specific (20s-49, uniquely Precept) so Young Adults can grow and encourage one another in their season of life. More than that, YA is designed for your needs—refining the rhythm and daily time with God to make it accessible while balancing life and seeking Him.

YA, in its essence, is community: **Scripture + life, peers + faith—building one another up in Christ while navigating the challenges of this season.**

?

I cannot tell which class I should sign up for...

The Lord knows where you are and the season of life you’re in. **Sometimes less is more, and consistency is key.** Don’t get stuck thinking, “I only want to study this book of the Bible” or “this level of study.” The Word of God is living and active. **Commit a day and time—and trust God to handle the rest.**

You can also reach out to us at ya@precept.org.sg or **Live Chat** on the website—we’d be glad to help.

For the Lord gives wisdom;
From His mouth come knowledge and understanding
—Proverbs 2:6

?

Can I still join a class that's already started?

Absolutely! We believe you can join whenever—it's God's perfect timing for you. Just note that the study material is still payable no matter which stage of the study you come in.

?

If I have registered for a study, do I need to still sign-up for subsequent study?

No. Near the end of each study, the leader will gather names of those continuing. A Precept Snuffleupagus will help register you for the next study. If you'd like to switch classes, you can either sign up yourself or email us at ya@precept.org.sg to transfer your registration to another class.

?

What does the cost include?

The cost listed for each study covers the study material (as shown in our online store). For YA classes, there are no postal charges. In other words, the class fee is simply the cost of the material itself.

?

Can I have digital materials? I'm willing to pay...

Due to our U.S. publisher's rights, we are unable to provide digital copies of the study material or books.

?

What if I can't attend every session?

While it's always beneficial to attend every session, we understand that last-minute travels, work calls, or unforeseen circumstances can arise. Though missing sessions isn't encouraged, you won't be struck off for it. What matters most is keeping up your daily time with God.

And we desire that each one of you show the same diligence to the full assurance of hope until the end, that you do not become sluggish, but imitate those who through faith and patience inherit the promises. – Hebrews 6:11-12

?

What if I don't finish my homework?

We highly encourage you to still show up for the meetings, because community discussions are vital for momentum and peer learning. Yes, you may feel a little lost at times during the discussion, but remember—we're here to seek God together. Stay connected with the community, and let that weekly time be your commitment to Him, not just to Precept.

Trust us: miss one, miss two, and before you know it, you've slipped off the bandwagon. We cannot emphasize enough—consistency is key.

?

Can I have the Zoom Recording if I miss a session?

We do not record the sessions, so no recordings will be available if you miss one. This is to honor the privacy of participants and the authenticity of their sharing.

?

More Questions?

We are ever ready to answer any questions or uncertainties. You can either email us at ya@precept.org.sg, or simply, click the **Live Chat** on our website. We will be there to assist!

I have been using Precept's 40-Minute and PUP materials for more than 10 years after they were introduced in my church and also had the joy to lead study groups on the 40-Minute series. I like Precept materials for their structured method in enabling one to go into a deeper study of God's Word. I truly thank God for the Precept team and their continual efforts in helping people to study God's Word through Precept materials. - Ruth Shirley Janarthanam, Youth Leader

Precept has helped me to know God in a deeper manner, through going more in-depth into His Word." - *anonymous*

I was 15 years old when I attended the youth ministry at my church. Each year we do a study using Precept's 40-Minute books and that was my first time joining a Bible study. Through the study, I was able to gain a deeper understanding of the stories in the Bible that God uses to bring us to His love!

While the studies did not result in any great revelation for me, they really helped me to understand more about living a life that is pleasing to God and to love Him in return for all that He has done for me. The sharing among the group members also enriched my learning experience and I realised that studying and growing together as a group is certainly better than just doing it alone.! - Jason Chai

As a mother of two and a staff nurse doing shift duty, I found it a challenge indeed attending the Precept Bible study every Tuesday.

However, with God's grace, I have managed to attend most of the lessons. I really thank God for the blessings I received from studying God's Word using Precept materials. Not only did I gain in my knowledge of the Bible, but I also built a closer and stronger relationship with God.

God's Word is now my daily bread, energising me to read His Word and to pray regularly. God Himself provides me with the wisdom to balance my spiritual life, family and work commitment. One day, when I was doing my Precept homework, my three-year-old son came and saw the colourful markings on my study worksheets. He said: "Mummy, it is so beautiful! I want to colour also!"

Praise the Lord! "Come dear, Mummy will show you how to colour..." - Gan Yu

Precept has taught me many things about the Bible and who our God is. I have been blessed greatly by the lessons and the leaders. The discussions have been fantastic and I look forward to learning more about God every week. - *anonymous*

Precept has taught me the value of patience and diligence in studying the Word." "Precept taught me how to dig deeper into the Word, so that I can better appreciate the treasures awaiting those who seek. - *anonymous*

66 Testimonials

I signed up for Precept after hearing about how it was a great tool for helping us to go deeper into God's Word. In my first course, Romans Part 3, I understood more about God's kingdom and His plan for us. Knowing this has helped me to live my life differently and given me the courage to be bold for Christ.

The Precept materials help me set aside time daily to reflect on aspects of my life that God wants to mould. I enjoy it as I am able to dig deeper into God's Word and draw lessons for my life.

I persist with it because the value of knowing God is eternal and cannot be measured in tangible terms. - Daryl Woo

Using Precept's 40-Minute study books has helped me to gain a deeper understanding of God's Word and how I can apply it. From the examples of the characters in the Bible who showed obedience to God, I have learnt to reflect on my relationship and life with God and the people around me. All these have helped me to walk closer with God.

Praise the Lord for showing me His way, truth and life through the Precept studies. My eyes have been opened to His marvellous grace and works. I desire to spend more time studying His Word and grow more in Christlikeness. - Jubai Kuai

I started using Precept materials as a youth in church and since then I have completed several study titles every year including the 40-Minute series and PUP.

The inductive Bible study method has taught me to slow down and meditate on God's word. The systematic approach has granted me a robust foundation as I now study the bible for myself, or lead others in church.

Using Precept materials has guided me to observe what the text says and draw insights from there directly. I've been blessed through these studies and grown in my faith as I learn more about God from His Word. - Amelia Stanly, Youth Leader

I work in the Accident & Emergency department and after 8-9 hours of work and stress, I still have to look after my two year-old daughter at home.

Taking her along for Bible study is another challenge, as I also have to take along her milk, water, clothing, diaper and toys. During Bible study, I often may not focus fully as I have to watch my daughter or attend to her needs even as I try to follow the class discussions. However, I am sure my daughter is learning as well, as she watches us and listens to our discussions.

I strongly encourage brothers and sisters to come for Bible study. We need to build our foundation on God's Word. Bring your children to Bible study too, so that they can grow in God's Word. - Qi Hong Juan

Isaiah is the crown jewel of Old Testament prophets, a book that strikes awe in the heart of its reader, especially when its poetry is read in the Hebrew. Prophecies from Isaiah are mentioned in twenty-two places in the Gospels, Acts, and Romans. The words of Isaiah were often found on the lips of the Christ, the Messiah prophesied in Isaiah. If Jesus, God incarnate, honored this grand and glorious book so highly, then you and I ought to do the same.

SO YOU WON'T BE DECEIVED ABOUT HIS COMING

Don't be confused about "the Day of the Lord." The Thessalonians were interested in the end times, just as we are today. But they were confused until they received this letter from Paul. **Include this book in your study of prophecy to fully understand what God says about the last days.**

NISS Ezekiel

WHAT IS YET TO COME

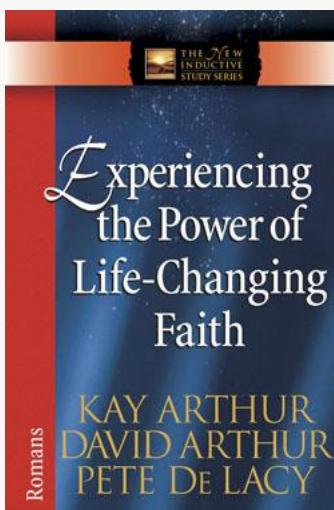

As readers learn and practice the exciting principles of inductive Bible study, they will discover for themselves the meaning and relevance of well-known but seldom understood images from the book of Ezekiel, including the wheel in the wheel, the valley of dry bones, and the watchman on the wall. As they become adept at observing the text, interpreting its meaning, and applying it to their lives, they will follow the story of Ezekiel from the heartbreak of the fall of Jerusalem and the Babylonian captivity to the inexpressible joy of worship in the heavenly tabernacle.

In the beginning, I struggled with the homework – the English terminology, and names of Bible characters and places. But I enjoyed the studies so much that I try not to miss the class discussions. They are intense, insightful, encouraging and helpful.

Before Precept, I had difficulty understanding, remembering and completing a book. Precept uses observation, interpretation and application to go deep into the Word. Reading verses repeatedly, and with Scriptural cross references, helps us understand a passage. I encourage you to join us. Your life will never be the same again. You will be blessed – studying, knowing and acting on His Word. -Patrick Foo

I have been a Christian for many years, but I have never read God's Word in-depth. Now, by reading the Bible book by book systematically, I am better able to perceive its meaning; it is not just a story for me any more. I encourage everyone to join a Precept class to gain an in-depth knowledge of God's Word – not only to build up our knowledge, but also to develop a more intimate relationship with God. - Ling, Katrina Kua

After we were both baptised in 2015, as new Christians, we felt the need to learn God's Word properly. So we signed up for a Precept class. The first two books we studied were Ezra and Haggai.

Initially, the intensity and volume of work were overwhelming. However, as we progressed, we both found that we actually enjoyed the process. The reading materials, the homework and the cross-references really helped enhance our understanding of God's messages. We felt as though we were going on an exploration and digging up the treasures that God had left for us in His Word. - Leong Wing Kong & Ivy Ho

I was a new Christian when I joined the PUP class on Genesis in 2008. Initially, it seemed tedious and time-consuming. I persevered as I was keen to study God's Word systematically. The discussions were engaging and the video lectures helpful. Thus began my journey studying His Word and discovering its truths for myself.

My wife Lay Wee was also keen to join the class. By attending the same class, we can discuss the questions and motivate each other to complete the assignment. The study has helped us to be more reflective in our relationship with God and to know Him more intimately. - Yeo Kei Huat

His Word became real to me again, truly alive and active. It awakened my soul and refreshed my spirit. It was like God talking to me in a very personal and intimate manner and giving me His personal instructions for my daily living. - Tay Beng Wan

God has an interesting sense of humour! He has transformed me from a person who was "not a Precept fan" into a "Precept Ambassador".

I first signed up for Precept Bible study in 2015 after a friend invited me to join it, but I did not like it, and did not continue. A year later, however, I felt prompted to give PUP another try. I was surprised that I got to like it this time, and truly benefited from it.

The study was one of the key turning points in my Christian walk. I finally felt the Bible speaking to me, and I was ministered to by God through the lessons and class discussions. I am now convinced that PUP Bible study can help anyone study the Bible for themselves - Rebecca Tan

I had never used Precept materials or attended a Bible study course, with the help of my Precept leader, I found it to be a creative, unique and fun way to do Bible study. I especially liked using colours and symbols to mark key words and phrases, and the double-spaced Bible passages made it a lot easier to read.

With the lively discussions with my sisters-in-Christ and Kay Arthur's videoa, I have learnt how to study God's Word more systematically. I am thankful for what has been revealed to me through the study materials. I have grown deeper in my understanding and love for God, and I am humbled by His love. - Janice Chan

When I first came to know Jesus and accepted Him as my Saviour, I read the Bible like a novel. I enjoyed the Old Testament for its sensational stories.

More than two decades later, a church friend introduced me to an inductive Bible study class that used Precept materials.

Through this method of study, I have come to realise that there are lessons to be learnt from these sensational stories. The materials cover the length, breadth and depth of God's Word. Not only do they give me new insight into the Word of God, but they also inspire me to want to know more about God.

By asking the 5 W's and 1 H (who, what, where, when, why and how), Precept has taught me that if I know the "why", I will know the "how". For example, if I know why God is angry about a certain incident, I will know how to avoid making Him angry. "The materials... inspire me to want to know more about God." - Soo Phin

I started attending Precept classes in 2008, but quit after 4 lessons. A year later, upon encouragement by a Precept leader, I started my Precept journey again. My Bible understanding is weak and I am not disciplined, but through the discussions and sharing, my understanding and faith deepened.

I persevered and I am enjoying the study now. The study guided me step-by-step and has helped me to go deep into Scriptures. To those who want to take their faith to greater heights, join the Precept family now! - Karen Fung

Lead a Bible Study

GUIDE OTHERS TO KNOW GOD DEEPLY THROUGH HIS WORD

We strongly believe that the quintessential of walking the faith is to call people to come to know God – not by our own means or our own words – but standing on the Word of God alone. However, we cannot do this alone. We need leaders who are willing to answer to this call of fellowship with others in God's Word.

We invite you to be a Precept Bible study leader, and lead others toward knowing God deeply through His Word.

Visit 'Lead a Bible Study' Page

Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to Him be the glory in the church and in Christ Jesus to all generations forever and ever.

Amen..

Although I have led PUP Bible studies for almost 10 years, I signed up for the course as I felt I needed a refresher on how to plan my lessons better and develop better questions.

I'm so glad I attended course! Our instructor has a wealth of experience and was very clear in his teaching. The class was very lively and enjoyable. What I really appreciated was that it was not just theoretical, but the instructor demonstrated how to lead an effective and fruitful lesson. This really helped me hone my skills! I am very excited to put into practice the new things I learnt in class for my next PUP study!

Thank you, Precept Singapore and Brother Steven Lim, our instructor.

How to Plan & Lead PUP Lessons

Thank you, Lena and Mimi, for dedicating your precious time to train potential teachers in the ABC of inductive Bible study.

I attended as a refresher and am grateful to be reminded of the importance of using the 5W 1H technique during observation. Additionally, I gained insights into handling children, which I had forgotten after years of working with older kids and adults.

I appreciate your sharing of songs for children, especially the two related to learning the books of the Old Testament (OT) and New Testament (NT). These songs will help me teach my grandchildren to memorize the 66 books of the Bible.

May God continue to bless the valuable work you are doing, helping children delight in His Word!

Being a Precept Leader

In 2018, I was asked to undergo training to be a PUP leader. I was not prepared to accept the responsibility immediately, as I had always believed that a PUP leader needed to be very knowledgeable and possess good understanding of the entire Bible.

But God spoke to me in His time and in His own way. My worry about not knowing enough to lead was slowly erased as He showed me that I would always be a work in progress". I needed to "trust in the Lord with all my heart and lean not on my own understanding; in all my ways submit to Him, and He will make my paths straight" (Proverbs 3:5-6).

Trusting God in His word has given me the confidence and wisdom to share and learn together with my fellow PUP classmates and leaders. – Julian Lim

I started to lead the 40-Minute Bible studies at our church's Youth Ministry in 2018 to help the youths learn more from God's Word. Initially, it was challenging as we helped the younger ones in handling the questions better.

Through a training by Precept Singapore staff, we felt better equipped to manage the study better and ensured that the youths have a key take home point each week.

What brings much joy was that at the end of the 6-week study, the youths were practising what we taught them. I would strongly encourage all Christians, young and old, to get into the study of God's Word regularly. – Janet Ng

I stepped out in faith and became a leader about 10 years ago. God has given me many friends to aid me in my study and leadership. He has placed amazing women in my classes to stretch me and expand my comprehension of how God's Word applies to our daily living. It can be intimidating to be a leader, and many times, I have felt that the class members are teaching me more than I am teaching them.

The give-and-take is humbling as we learn together. God's Word has guided me as I learn more and more about the character of God and the cost of following Him. I really love digging into the Word and finding truths for myself.

When God presented me with the opportunity to lead another small home group from my church, I could not refuse. I wanted to help them learn the joy of digging into the truths of the Bible for themselves.. – Jody Chan

Our Youth Ministry did the 40-minute Bible study on "The Essentials of Effective Prayer". It was my first time leading a group rather than as a participant. While the initial leading was challenging, the advice from more experienced leaders helped me to focus on the more pertinent questions and key points.

This study series is simple and straightforward and provides a quick and easy to follow method of going through Bible passages which is especially good for youths who are younger and need more guidance.

The study is well structured and covers a wide range of topics on our faith and helps us to reflect and to apply what we have learnt.. – Mark Tang
